TRANSFORM YOUR FIREPLACE INTO A DRAMATIC FOCAL POINT

What do you call your existing fireplace? We hear the terms dated, ugly, plain or worse. We can transform your existing drywall, brick or stone fireplace into a beautiful and up to date fireplace in usually 1-3 days.

North Star Stone is unique! We take great pride in all the stone we custom color and blend in our factory. For local installations you will get experienced masons that know how to set the stone and take the time to make your fireplace stunning!

We also offer shipping and will customize your order to your needs for wherever you live in the United States. (We have even shipped stone to Hawaii)

Visit our showroom today, and let our design experts assist you in choosing from the various stone types and custom coloring options.
